- **All riders must wear a riding helmet and hi-vis vest when riding in the forest.**
- All members must wear a hi-vis vest with the Kake Hōiho logo on it when riding in the forest.
- Casual riders are to borrow a hi-vis vest with our logo on it, from the office, when possible.
- Riders must have a current ID card or receipt with them at all times – you could be asked to leave the forest if you cannot show a current ID card or receipt.
- Horse riding is only permitted on the marked horse park trails.
- Riders are required to have a tag on their saddle or bridle with a contact name and number, in the event that the horse gets lost or separated from the rider in the forest.
- All riderless horses must be led by and tethered to a mounted rider and be under control at all times.
- **You must notify us immediately of any missing or loose horses in the horse park.** Alert Kake Hōiho staff if they are present on site or call the office (09 420 9566 ext.1) during business hours. Outside of business hours call First Security 0800 347 787 or forest security 027 535 5770.

- A Vehicle Parking Permit sticker must be clearly displayed on all member vehicles.
- A processed Casual Rider Form must be displayed on the dashboard of all casual rider vehicles.
- Horse park keys that have been allocated to members are for the use of the member they have been allocated to exclusively. Members can bring registered casual riders into the park with them but cannot give out their key for another rider to access the park independently of them.
- Registrations run to the 30th of September annually and **all keys must be returned at the end of the membership period.**
- Riders under 16 must be supervised by a registered adult rider.
- No keys or memberships are issued to riders under 16 (children). Children can be added to the membership of an adult rider who is responsible for them.
- **No accompanying pedestrians, riders only.**
- Te Ngahere o Woodhill is an operational production forest and has year-round harvesting and forestry activity. We will endeavour to notify all riders of forestry activities that will impact the use of the horse park. Please adhere to all warning signage and note that there is no access to areas that have been taped off.
- Logging trucks and other vehicles use the forest roads and they have right of way – extra care is required when crossing roads within the forest.
- **You can cross forest roads, but you cannot ride along them.**
- At times the park could be closed due to forest events that may compromise the safety of riders and their horses. Access outside of the main Kake Hōiho park (e.g. trails connecting the park and Coast Rd) may be restricted when other activities are taking place within the forest (e.g. motocross events).
- Access could be restricted during high fire risk periods or when winds exceed 65 kph. We endeavour to notify all riders of any changes to access, so please monitor announcements on www.woodhillforest.co.nz
- **ALL GATES ARE TO BE KEPT LOCKED AT ALL TIMES – UNLOCKED GATES LEAVE THE FOREST OPEN TO UNAUTHORISED ACCESS.** Throughout the year parts of the forest are grazed. Please ensure all grazing gates are kept closed to stop cattle wandering on the roads.
- Kake Hōiho members: You can use your keys to come in through the Coast Rd gates from Muriwai – you must secure the gates behind you. If you are with casual riders, they must be carrying a receipt to show that they have paid the casual rider fee. After the ford over Ōkiritoto Stream, you must get off Coast Rd and enter the 5-mile-strip if you wish to continue north. You cannot stay on Coast Rd or enter Woodhill Forest to the east of Coast Rd, between the ford and Inland Road, where the new trail to the horse park begins, or from Inland Road to Old Telephone Track where the 5-mile-strip ends.
- No access to the dune areas north of the 5-mile-strip beyond Old Telephone Track.
- Dogs are welcome in the forest with you, BUT they must be under full control at all times and tied up when in the car park.
- Smoking is prohibited when riding in the forest.
- Registrations run to the 30th of September annually and **ALL KEYS MUST BE RETURNED AT THE END OF THE MEMBERSHIP PERIOD.** Riders will need to re-register and purchase a new key to continue membership and access to the horse park.
- **LOST KEYS WILL INCUR A REPLACEMENT COST OF \$100.**
- **Horse gate locks are changed on the 1st of October each year.**

Please provide as much detail as possible to allow prompt removal/management of the hazard.

In the event of an emergency dial 111.

Vehicles left in the forest after hours will either be towed at the owner's expense or incur the release fee charged by First Security 0800 277 697
