- All riders must be registered (form completed, payment made) either as members or as casual riders.

- All riders must carry on them a current ID card or receipt – you could be asked to leave the forest if you cannot show a current ID card or receipt upon request.

- Casual riders are to borrow a hi-vis vest with our logo on it from the office, when possible.
- Horse riding is only permitted on the marked horse park trails.
- Riders are required to have a tag on their saddle or bridle with a contact name and number, in the event that the horse gets lost or separated from the rider.
- All riderless horses must be led by and tethered to a mounted rider and be under control at all times.
- **You must notify us immediately of any missing or loose horses in the horse park.** Alert Kake Hōiho staff if they are present on site or call the office (09 420 9566 ext.1) during business hours. Outside of business hours call First Security 0800 347 787 or forest security 027 535 5770.

Members can bring registered (payment is part of registration) casual riders into the park with them but cannot give out their key for another rider to access the park independently of them.**
- Registrations run to the 30th of September annually and **all keys must be returned at the end of the membership period.**
- **Riders 16 years and under must be supervised by a registered adult rider.**
- No keys or memberships are issued to riders 16 and under (children). Children can be added to the membership of an adult rider, who is then responsible for them.

- Te Ngahere o Woodhill is an operational production forest and has year-round harvesting and forestry activity. We will endeavour to notify riders of forestry activities that will impact the use of the horse park. Please adhere to all warning signage and note that there is no access to areas that have been taped off.
- Logging trucks and other vehicles use the forest roads and they have right of way – extra care is required when crossing roads within the forest.
- **You can cross forest roads, but you cannot ride along them.**
- At times the park could be closed due to forest events that may compromise the safety of riders and their horses. Access to trails outside main Kake Hōiho park (e.g. trails connecting the park and Coast Rd) may be restricted when other activities are taking place within the forest (e.g. motocross events).
- Access could be restricted during high fire risk periods or when winds exceed 65 kph. We endeavour to notify all riders of any changes to access, so please monitor announcements on [www.woodhillforest.co.nz](http://www.woodhillforest.co.nz)
- **ALL GATES ARE TO BE KEPT LOCKED AT ALL TIMES – UNLOCKED GATES LEAVE THE FOREST OPEN TO UNAUTHORISED ACCESS.** Throughout the year parts of the forest are grazed. Please ensure all grazing gates are kept closed to stop cattle wandering on the roads.

- **LOST KEYS WILL INCUR A FEE OF \$100.**
- **New keys will not be issued to returning members until either their old key is returned, or the lost key fee is paid.**
