Riders are not permitted to search the forest outside the horse park, on foot or by vehicle, for lost horses/dogs. Do not post messages about lost horses/dogs via social media except to horse park members on the Kake Hōiho Facebook page. Non-staff / non-members trying to enter the park and search unfamiliar terrain for a lost horse or dog can exacerbate problems (e.g., people getting lost).

- Logging trucks and other vehicles that use the forest roads have the right of way – extra care is required when crossing forest roads.

At times, the park and approved trails could be closed due to events that could compromise the safety of riders and their horses. We endeavour to notify riders of any changes to access and any forestry activity that will impact the use of the park - please monitor announcements on www.woodhillforest.co.nz and our Facebook page Te Ngahere Kake Hōiho.
- **ALWAYS LOCK GATES BEHIND YOU** – unlocked gates open the forest to unauthorised access. Throughout the year, parts of the forest are grazed. Please keep all grazing gates closed to stop cattle from wandering on the roads.

- **Smoking is prohibited when riding in the forest.**
- Registrations run to the 30th of November annually, and **all keys must be returned at the end of the membership period.** Therefore, riders must re-register and purchase a new key to continue membership and access to the horse park.
