8. Event Manager may at any time elect not to use the Premises in which case neither party shall have any further obligation hereunder. Payment for any recess, permits, event or use until that time however will still be charged.
9. The Event Manager shall leave said Premises in as good condition as when received by it, excepting reasonable wear and tear and use (please refer to Shared Use Principals and Cost Recovery Protocols) of said Premises for the purpose herein permitted. Event Manager shall have the right to remove all structures and other material and equipment from said Premises. Upon doing so the Licensor shall sign a release in the form required by the Event Manager. If there is a dispute as to whether there are any damages to the Premises caused by the Event Manager, the Licensor must first deliver to the Event Manager a detailed list of those items and provide the Event Manager with a reasonable opportunity to inspect the Premises to determine the need for repairs, if any.
10. Should the Event Manager wish to leave any structures or other material and equipment on the Premises / with the Licensor, it is encouraged to offer this. Still, acceptance is at the discretion of the Licensor.
11. The Event Manager shall be responsible for any liabilities, losses, claims, demands, costs (including without limitation outside attorneys' fees) and expenses (collectively, "Claims") arising in connection with any breach by Licensee of this Agreement.
12. The construction/duplication/photographing/recording/use of any logos/signage/personnel/names associated with the Licensor and its parent company / related subsidiaries thereof or other agents/licensees requires the express permission of the Licensor.
13. Before the Licensor exercises any remedies available under this Agreement or otherwise, the Event Manager shall be given notice of a material default hereunder (if such default is curable) and accorded three (3) days [reducible to twenty-four (24) hours for exigent circumstances] to cure such default; provided that Licensor shall not be deemed to waive any claim for damages arising before, during, or after such cure period if the Event Manager does not cure such default.
14. The Event Manager shall comply with the Health and Safety in Employment Act 2015 and any approved code of practice or regulations made under the Act and relevant to the activities of the Event Manager on the Premises. The Licensor shall advise the Event Manager of any health and safety risks on the Premises. All the Event Manager's employees, contractors, agents, or invitees will be advised of such risks by the Event Manager before entering the Premises. The Event Manager shall accept, sign, and adhere to the Licensor's "Health and Safety Procedures for Woodhill and Riverhead Forests" document.
15. The Licensor warrants that to the best of the Licensor's knowledge, the Premises are safe and suitable for all purposes intended hereunder, but the Licensor does not guarantee the suitability of land in any way.
16. The Licensor agrees to cooperate fully with the Event Manager to provide as much assistance as possible concerning the Event Manager's use of the Premises and its obtaining of any required consents, permits or licenses. The Event Manager shall be responsible for any / all council or local authority consents, permits, or licenses.
17. If there is any dispute between the parties over the terms of this agreement, the Event Manager and the Licensor will agree upon an appropriate person to settle any dispute via an informal mediation process. If the parties cannot, despite their genuine endeavours, agree upon a mediator, then either party may apply to the president or vice president of the district law society where the Premises are situated for the appointment of a mediator. The mediator's decision will be final and binding on both parties.

Access Conditions

Terms and Conditions

Rubbish: The dumping of rubbish is prohibited. All rubbish must be removed.

Fires: Lightening of fires is prohibited. No smoking in the Forest. Dial 111 if you see fire in the Forest.

Camping: Camping is prohibited unless expressly permitted by this Permit.

Hunting: Hunting is prohibited unless expressly permitted by this Permit.

Firearms: Firearms are not permitted in the forest other than for authorised hunting or unless permitted by this Permit.

Poison/Traps: Poison and traps are used in the Forest. DO NOT touch any baits, lures, carcasses, or traps. Dogs are particularly susceptible to poison. Ngā Maunga Whakahii o Kaipara accepts no responsibility for the effects of any poison.

Firewood: The cutting and commercial sale of firewood is prohibited. You must not cut log stacks.

Trees: You must not cut, fall, intentionally damage, mark or remove any tree, shrub, or other forest produce.

Driving: You may only use the vehicle expressed on your permit. Drive with lights on low beams always in the forest. If your vehicle has 4WD capability, this should be engaged whilst in the forest. Normal road rules apply (except speed limits) to drive at a speed that suits the road conditions: Forestry roads are narrow with rough surfaces. Vision is obscured due to vegetation, dust, fog, and blind corners. Some intersections are unmarked and not visible. Park off the road. Do not block the road or gateways with your vehicle in any way. Walk towards the traffic.

Hazards/Risks: The permit holder acknowledges that the forest is a place of potential hazards and shall take all proper care in exercising this permit, including being responsible for those persons accompanying the permit holder. The permit holder agrees to enter the forest at their own risk and shall be solely responsible for those persons accompanying the permit holder. The permit holder releases to the full extent permitted by law the Trust employees and agents from all liabilities, fines and demands of any kind that may arise out of any incident, accident or injury occurring to any person or property in the exercise of this permit. Ngā Maunga Whakahii o Kaipara makes no representation whatsoever as to the suitability of the Forest for the purpose intended by the permit holder.

Indemnity: The permit holder shall indemnify Ngā Maunga Whakahii o Kaipara in respect of (a) any loss, damage or injury to real property of Ngā Maunga Whakahii o Kaipara or its contractors, (b) any loss, damage or injury to the property of Ngā Maunga Whakahii o Kaipara or any person on the Land, (c) All claims or actions by any third party against Ngā Maunga Whakahii o Kaipara for any loss, damage, fines proceedings or injuries; where such loss, damages, fines or injury result arising out of the permit holder's presence (or those persons who accompany the permit holder) in the forest or from the permit holders use of the forest tracks and roads or the undertaking of the rights under this permit.

Permit Requirements: This permit must always be carried and produced on demand whilst the holder is within the Forest. This permit is not transferrable and revoked at any time by notice given by or on behalf of Ngā Maunga Whakahii o Kaipara, either verbally or by public notice or by advertisement. The permit holder must comply with all reasonable directions by Ngā Maunga Whakahii o Kaipara personnel. The permit holder and those accompanying the permit holder shall not interfere with Ngā Maunga Whakahii o Kaipara activities in the forest or any person granted access to the forest by Ngā Maunga Whakahii o Kaipara. The permit holder shall not do anything or omit to do anything that may become or is an annoyance, nuisance, damage, or disturbance to Ngā Maunga Whakahii o Kaipara land or other occupiers or owners of land adjoining the land. The permit holder shall only enter the forest along the access ways directed by Ngā Maunga Whakahii o Kaipara and shall not enter those parts of the forest except as authorised on this permit. The permit holder shall be responsible for the actions of all persons accompanying the permit holder under the permit whilst in the forest. The permit holder shall immediately notify Ngā Maunga Whakahii o Kaipara, any damage to the forest area, or any injuries to any person within the forest.

KAIPARA

Breach of Permit Conditions: This permit will terminate immediately upon any breach of its terms. In the event the permit is revoked or breached, the permit holder and those persons covered by the permit shall immediately leave the Forest and shall not re-enter the Forest.

Health and Safety Guidelines

Forest Operation

Commercial Forest Operations, which can operate 24 hours a day, 7 days a week. Many heavy vehicles are operating in the forest, which can potentially create hazardous and/or dangerous situations. Please always take extreme care while in these forest environments.

The Health and Safety at Work Act 2015 places specific responsibilities on the Forest Company and the Forest Owner towards the people who are authorised to enter the forest. Ngā Maunga Whakahii o Kaipara will supply a list of generic hazards through the permit system.

In addition, where it is necessary and appropriate, Ngā Maunga Whakahii o Kaipara will carry out site operation-specific hazard identification and control exercise with those persons required to have an Access License.

The Permit holder is responsible for ensuring anyone accompanying them into the forest also meets the requirements of their organisation's health and safety guidelines set out here.

Harvesting Operations

- * Warning signs have been erected in areas where contractors are operating.
- * You may not enter any area where these warning signs have been erected.
- * Access through these areas may be permitted if you comply with the Forest Company's requirements. You must have a Simplex 69 radiotelephone channel with an automatic number identification attached to it and comply with all instructions on warning signs.

Vehicles in the Forest

- * You may only use the vehicle specified on your permit.
- * Drive with lights on low beams always in the forest.
- * If your vehicle has 4WD capability, it must be engaged whilst driving in the forest.
- * Normal road rules apply.
- * Drive at the posted speed limit or to the road conditions.
- * Forestry roads are often narrow with rough surfaces.
- * Vision may be obscured due to vegetation, dust, fog, and blind corners.
- * Some intersections are unmarked and not visible.
- * Walk towards the traffic.

Vehicle Parking

- * Park off the road.
- * Do not block the road or gateways with your vehicle in any way.

Safety

- * Tell someone where you are going and when you are expected out of the forest.
- * It is recommended < UNK > You should always carry a cell phone while in the forest.
- * Contact POLICE 111 if you are concerned about the safety of someone you know is in the forest.

Hunting

- * Hunting is prohibited unless specified on the permit.

Fire

- * Do not light any fires.

ACCESS LICENCE HOLDERS' ENVIRONMENTAL STANDARDS

The following environmental standards apply to all Access Licence/Permit holders on Ngā Maunga Whakahii o Kaipara Land.

General

- * The Permit holder is responsible for obtaining any resource consents necessary to carry out their operations/activity on Ngā Maunga Whakahii o Kaipara Land. All conditions of the resource consent(s) held by the Permit holder and or Ngā Maunga Whakahii o Kaipara must be complied with.
- * Ensure that any restrictions identified on maps (such as archaeological sites or riparian zones) are clearly understood and complied with.
- * Water crossings shall not be installed without prior approval from Ngā Maunga Whakahii o Kaipara.
- * Avoid causing damage to water control structures wherever possible. If damage to water control structures does occur, it must be reinstated by the land preparation contractor on completion of that component of the operation or communicated to Ngā Maunga Whakahii o Kaipara representative if further work is required.
- * Track construction or other earthworks shall not be carried out with prior approval from Ngā Maunga Whakahii o Kaipara (this excludes existing track maintenance)
- * Unless specifically stated, reinstatement to the original earth form must be undertaken on track construction or other earthworks for an event.
- * Where access is permitted, tracked or wheeled machinery shall not operate within 10m of a permanent waterbody without prior approval from Ngā Maunga Whakahii o Kaipara.
- * Sediment runoff created by the activity should pass through a zone for trapping sediment before it enters a flowing stream or lake or flowing onto a public road or neighbours' property.
- * Vegetation shall not be removed or disturbed (except cutting back adjacent to existing tracks) without prior approval from Ngā Maunga Whakahii o Kaipara.
- * The site must be kept free of rubbish. Foreign material (broken equipment, waste oil etc.) must be removed regularly before leaving the site.
- * Any fuel, oil or chemical use must always comply with HSNO or the appropriate industry Guidelines.
- * Containers for the storage and use of any fuel, oil or chemicals must be secure from leaks and sited so that the liquid is contained in the event of an accidental spill.
- * Known archaeological and cultural sites shall not be disturbed.
- * If any possible archaeological or cultural sites are discovered, all activities within 30m of the site must be stopped, and Ngā Maunga Whakahii o Kaipara must be notified immediately.
- * Where a permit has been issued for harvesting non-productive species (e.g., flax or ponga), removing other species is not permitted.
- * Other Ngā Maunga Whakahii o Kaipara Environmental Standards, which exist for activities not covered by these Standards, may be issued by Ngā Maunga Whakahii o Kaipara where appropriate.
- * If you cannot comply with these Environmental Standards notify Ngā Maunga Whakahii o Kaipara prior to commencing any work.
